Canyonville Adventist Elementary School News

Capital Improvements - CAES is needing to raise funds to do some major capital improvements on the school and purchase a few smaller items that will improve the quality of the school day for the students. The big items include stuccoing the school, installing new gutters, purchasing new playground equipment. Smaller items are replacing the old and broken picnic tables. Judging from the quotes we have received, the figure needing to be raised is about \$50,000. Every little bit helps to reach this big goal. If you would like to donate to this cause, you can give a direct donation to the school or you can donate in your tithe envelope, marking "School Improvement Project" on the envelope. Thank you so much for your dedication to Adventist Education.

Church Improvement Fundraising ~ The Church Board has approved replacing the church's current Heating System. The new unit will be both a heating system and an air conditioning unit. The church has received substantial donations toward this upgrade but there is about \$30,000 which we will still need to fund-raise. If you are interested in helping your church with this project, please contribute by marking your Tithe Envelope "Church Heating Project". Thank you so much for your part in this improvement.
