Canyonville Adventist Elementary School News

Capital Improvements - CAES is needing to raise funds to do some major capital improvements on the school and purchase a few smaller items that will improve the quality of the school day for the students. The big items include stuccoing the school, installing new gutters, purchasing new playground equipment. Smaller items are replacing the old and broken picnic tables. Judging from the quotes we have received, the figure needing to be raised is about \$50,000. Every little bit helps to reach this big goal. If you would like to donate to this cause, you can give a direct donation to the school or you can donate in your tithe envelope, marking "School Improvement Project" on the envelope. Thank you so much for your dedication to Adventist Education.

The church has received substantial donations toward this upgrade but there is about \$30,000 which we will still need to fundraise. If you are interested in helping your church with this project, please contribute by marking your Tithe Envelope "Church Heating Project". Thank you so much for your part in this improvement.

Thank you Note from the Walden Family ~ Our beloved Church Family: Words cannot express the thanks and appreciation we have for all the kindness, generosity, help with food and prayers you have showered upon us.

During this time of one of our greatest crises...this thought came to mind: "Faith must grow through conflict and suffering. We must individually learn to suffer and be strong, and not sink down in weakness...It is His work to sanctify His people, to cleanse, ennoble, and purify them, and fill their hearts with peace. He is thus fitting them for glory, honor, and eternal life; for an inheritance rich and more lasting than that of any earthly prince." Review & Herald, August 12, 1884

May each of you be blessed for the help you have given us. May each of us see every trial and heartache as a gift from our Heavenly Father to prepare us for our eternal home. Love, the Waldens
