### Canyonville Adventist Elementary School News

**School Read-A-Thon** - During the months of September and October our students will be participating in a Read-A-Thon. Students have a goal of 100 pages x their grade level! So an 8th grader will read 800 pages during these 2 months. We are asking for flat rate sponsors, which means that you pay a flat rate no matter how many pages they have to read for their grade level. If you are interested in sponsoring a student, please call Laura 1-541-415-1326 and she will have a student call you. Funds will go to school operating fund.

**Still Looking for a Good School?** - If you know of anyone who would be interested in Christian education in a good environment, please let them know about CAES! We are still accepting applications for 2023-24 school year.

**Volunteers for Hot Lunches** - We are looking for volunteers to make and/or serve hot lunches on Thursdays. If interested call Kim or Laura Bowlby. A volunteer clearance is necessary to volunteer for anything at the school.

**Capital Improvements** - CAES is needing to raise funds to do some major capital improvements on the school and purchase a few smaller items that will improve the quality of the school day for the students. The big items include stuccoing the school, installing new gutters, purchasing new playground equipment. Judging from the quotes we have received, the figure needing to be raised is about \$50,000. Every little bit helps to reach this big goal. If you would like to donate to this cause, you can give a direct donation to the school or you can donate in your tithe envelope, marking "School Improvement Project" on the envelope. Thank you so much for your dedication to Adventist Education.

**Prayers Requested** - Please pray for our students, parents, teachers and staff this school year.
